Birth – 3

- **Phone:** 1-800-305-3064
- **Overview:** SD Birth to Three contributes to the success of children with developmental delays and their families by providing dynamic, individualized early intervention services and supports by building on family strengths through every day routines and learning experiences.

The South Dakota Birth to Three Early Intervention Program serves children from birth to 36 months with developmental delays or disabilities and their families.

What is Early Intervention?

- A family-focused, in-home service for children from birth to 36 months of age with developmental delays
- A system of services and supports for families to help understand their child's development and specific training to assist the family in addressing these areas of delay
- A process that helps the adults in a child's life learn to help the child develop
- A collaboration with the child's parents, caregivers, childcare providers, professionals and others – not just the child!
- A voluntary system
