“Seeking Balance: Bowling Balls”

Imagine yourself carrying a bowling ball. Either you hold it with both hands and brace yourself as you balance, or you hold it in one hand and balance it by your side. Any way you hold that ball, you have to adjust your balance in a major way. Now imagine yourself holding two bowling balls – one in each hand. You are now balanced, but the awkwardness of the weight is much more difficult. OK, now imagine THREE bowling balls, four bowling balls, five! Ready for this image? Now imagine yourself juggling all five of these balls simultaneously! I know, it sounds impossible, and for most of us it IS impossible.

Now translate the word “bowling ball” in your real life. We are trying to balance and juggle “bowling balls” all the time! One “bowling ball” is your family. Another is your job. Another is your spouse’s / significant other’s job. Another is your schooling or your children’s schooling. Maybe another is your faith, or your finances, or your spare time. Go ahead and name all of your own “bowling balls”. Whew! This is really hard work.

Just when you have finally figured out how to keep all of those balls up in the air with your masterful juggling technique, let’s add tensions of any sort into this precarious balancing act. What happens to your delicate balance of bowling ball juggling when someone in your

family gets sick? When unexpected financial disaster hits – even a little one? When there’s a fight with your parents, your spouse, your boyfriend/girlfriend, your parents, your children? When work is going lousy? When an argument erupts with a friend? When deadlines are looming on a rapidly approaching horizon? Those “bowling balls” can come crashing down in an awful hurry.

So how can life become better, even easier to handle? I have a suggestion, but you’re very likely not going to like it: Quit juggling so many bowling balls!

Instead of increasing your tolerance of stress (“I can do one more thing...and one thing...and one more thing.”), lower your tolerance! Instead of forcing yourself to deal with an ever-increasing load of stress, creatively find ways to let go of your stress. You do not have to schedule every minute of every day full of stuff. Try this – intentionally schedule in some fun and relaxing moments for both you and your family this summer. Try this – take time off on a regular basis so you can have time to handle what is already on your plate. Try this- just say “no” to those events / meetings / activities that are slowly killing your joy for life. Try this – live more simply and buy less. By doing this you will eventually have to work less to pay those bills. Try this – get enough sleep!

Look, God wants all of us to be whole and healthy. That won’t happen as long as we are crowding out of our lives the very things that can make us whole and healthy! Maybe...just maybe...it’s time to quit juggling so many bowling balls. Maybe...just maybe...it’s time to make more space for God and for yourself this summer!

The Worship of Service

At the end of April we embarked on a new adventure. It was a great service weekend. Now, I’m not talking about our worship services, but a time of serving others. And that is worship!

1 Peter 4:10 tells us, “Each of you should use whatever gift you have received to serve others, as faithful stewards of God’s grace in its various forms.” Jesus himself set the example in Matthew 20:26b-28a when he told his disciples, “Whoever wants to be a leader among you must be your servant, and whoever wants to be first among you must become your slave. For even the Son of Man came not to be served but to serve others....”

You see, serving others is worship in that it magnifies God for his gift of grace so freely given. If God gives so freely, and Jesus gave so freely in serving others, shouldn’t we also give through serving? All we have—our time and talents included—is a gift from a loving and caring God. As our act of worship, we need to give back by giving to others. It’s part of our tithe.

Let me say that serving others isn’t something that we need to do to gain God’s favor. It is what we do out of gratitude for what He has done for us. In serving

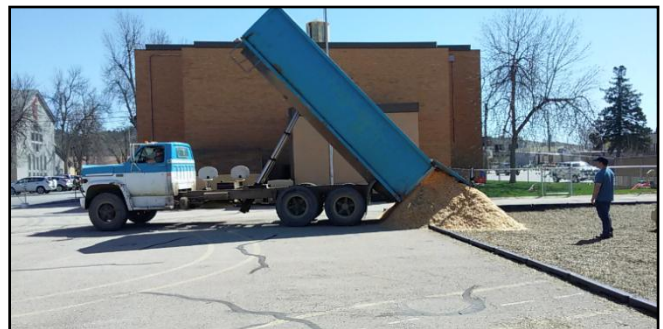

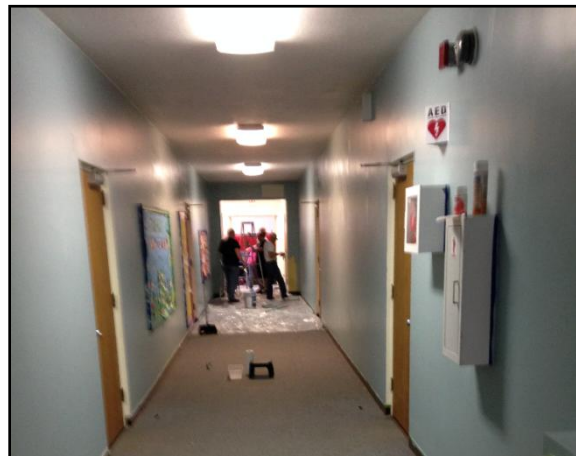

others, I am not getting anything in return from God, but I’m only returning a portion of what He has given by serving others. By blessing others, I am blessed beyond what I could or ever would expect.

I look forward to the next time we can all worship together by serving others, whether within our congregation or outside. Remember the old saying, “People don’t care how much (what) you know until they know how much you care.” Let the love of Christ shine through you so that people can see something very different in you. You may be the only Jesus people have ever seen.

John Elving, Worship Coordinator

Children First News

Children First would like to thank all of the people that helped paint, clean out gardens, haul wood chips and sand. Everything looks great and we are very grateful for the help. Blessings, Children First Staff

Weekly Prayer List

A church member said: “I didn’t realize what a gift prayer was until my brother was sick and you all prayed for him. I cannot tell you what a comfort your prayers were. Your prayers have strengthened him in this difficult time and have been an encouragement to our

entire family!”

We have a prayer list in the church bulletin each week. If you or a family member would like to be on the prayer list please call the church office (642-3457). We need your permission to place your name on the list.

Sometimes when people are hospitalized the church is not aware of it. Please call the church office to let us know so we can call on you to provide support and care.

Every Wednesday, from 5 – 5:30 p.m., we meet in the church parlor to pray for people on the prayer list and others. One of the best ways to love others is to pray for them. Jesus is our ultimate example in this. All are welcome at the prayer time. “You help us by your prayers.” 2 Corinthians 1:11

Congregational Care Ministry

Tree of Life team forming

A group is planning to travel to the Tree of life mission site in Mission, SD this fall for a short “local” mission experience. We have worked there several times in past years and always found it rewarding and informative.

Potential tasks could be helping serve noon meals, sorting clothes, etc., so all ages are welcome. We are still in the planning stages, (no firm dates yet), so please contact us for more information. Contact Ron and Gloria Borgman (605) 642-5321 or ron.borgman@yahoo.com

United Methodist Women (UMW)

UMW has one meeting in June which is our Retreat. The date has changed so that we could have two speakers connected to Artemis House

that will come and talk about “Trafficking”. **The new date is Saturday, June 23 from 9 a.m. to around 2 p.m.**

C.J. Jensen (The Rural Advocate) and Julia O’Neill will be sharing information from Black Hills State University’s Program and from “Free The Black Hills” organization. We feel that due to the importance about Trafficking; that we want to open this time to anyone in our congregation, family members or friends that we might know. You do not have to be a member of UMW and with that said any men who have a desire to learn about this are welcomed to attend also. This subject is of importance to young families with children here in Spearfish and throughout the Black Hills every day.

We ask that those attending to bring a salad to share or to bring any ingredients to add to a tossed salad. Dressings and lettuce will be provided along with coffee, tea and water.

Help us have a wonderful turnout to learn all we

can to make a difference in children of all ages and families everyday living. Any questions, please feel free to call our President, Debra Richardson at 717-2625 or cell 605-580-6846 or our Vice President, Connie Swander-Ericsson at 1-307-281-2021.

The tax payment will be reimbursed and go back into this fund. Mission Giving revenue was \$3540.36 and expenses were \$4158.84. \$1615 was given in camp scholarships.*
- **Stewardship & Finance...** *The requests presented during the April council meeting were approved. There was much discussion on the expenses for the Day of Service and how those will be covered. As Care & Outreach is not a functioning committee, but still has a budget assigned to certain expenses, Stewardship & Finance will oversee the finances for the remainder of 2018.*
- **Health Ministry...** *Diabetic Screening planned after the 3 church services on May 19 and May 20. B/P will be taken, also. Will be providing information on NEW Shingles vaccine-Shingrix. Communion Prayer Station Information time- May 22- 6:30 P.M. to 7:30 P.M. Health Forum planned Sept. 23, 2018- "Medication Management/Mismanagement." Cancer-Now What? We are currently advertising for the position of Financial Assistant and will be accepting applications until June 1st.*
- **Worship & Music...** *Discussed the recent Fifth Sunday Fellowship, including successes and ways to improve it for*

the next time. Our next Fifth Sunday Fellowship will be Sunday, July 28 and will be held in Spearfish Park at 9:30 a.m. with a potluck to follow. Discussion of revitalizing a planning team approach to unifying the focus of all three worship services. The need for three people to assume the responsibilities of assigning lay readers for each service (one person in charge of each service).

The mission focus for May is collecting items for the Tree of Life Ministry in Mission, SD. Linda Garriott, Director, came to speak on the weekend of May 5-6.
- **Discussion Items:**
Church security update – John Kissack shared the bids he has received on external lighting and door locks. Council requested that John bring these bids back to Trustees for discussion and prioritizing. Stewardship & Finance will be involved with future discussion for available funds. Regarding the locks, we need to be mindful of how we remain a “welcoming” church, while keeping our church secure and minimizing how many keys/fobs are distributed.
Summer schedule – The choir will continue to sing through Sunday, June 3, which is the last day for Donna Gollhofer to play as church organist. After this date, Summer Choir will begin. Vacation Bible School will be held June 25-29. Sidewalk Sunday School is being discussed. The next 5th Sunday will be celebrated on July 29 in the Spearfish city park at 9:30am.
Elisha Intern – Natasha Lechter will arrive in Spearfish on June 1. She will attend Annual Conference and begin her 10-week schedule on June 10.
Greeters – Karen followed up on last month's offer to recruit and schedule greeters. Response to recruitment was very poor. Suggestion to go back to using the sign-up sheets on clipboards and fill in with the volunteer names.
- **Action Items:** Service Day expenses – Karen Hahn requested that MCCI monies be used to cover the expenses of Service Day. Motion made by Stewardship & Finance. Motion passed.
- **Learning/Planning Exercise:** Kirk requested that we go back to our committees/teams and ask questions, “What

do we need to work on as a church?”, “What are opportunities for improvement?” Suggested we pick three items to work on.

Next meeting: Wednesday, June 20 at 6:30pm. These meetings are open to everyone.

MISSIONS

Mission Focus for June: Solar Oven Partners

Pastor Scott assembling a solar oven in the Dominican Republic with the aid of local residents.

Solar Oven Partners (SOP) is a United Methodist Volunteers in Mission project that works to place solar ovens in the hands of the poor in deforested lands. SOP partners with the indigenous church and relief

organizations to help alleviate human suffering and environmental destruction, following the UMVIM motto of *Christian Love in Action!* Your donation will help purchase the oven parts and subsidize the cost for those who buy the ovens. For example, Dominicans can buy an oven for 1000 pesos (about \$20), but the cost of manufacturing the ovens is much greater. Anything you can give will be a huge help!

Currently, SOP is working in the countries of Dominican Republic and Sierra Leone by sending teams who assemble the ovens and instruct workshop participants in how to cook with them. Two or three teams are sent every year, so if you are one who is

interested in going, please contact Pastor Scott for more information.

After a planning time, the second SOP team will be working on the Navajo reservation this summer. To fill this growing demand, the “new” main workshop for producing ovens is up and running in Raymond, South Dakota. Teams are needed to help produce ovens in either Raymond or Zeeland, North Dakota. Please consider making a difference by joining a future team, helping to build oven components, or donating to help provide ovens to the poorest families in poor, deforested nations.
