Pastor's Page Genesis to Revelation

Welcome to the season of Pentecost (aka the season after Pentecost)! We began by celebrating the outpouring of the Holy Spirit on all people, fulfilling the prophecy of Joel and the promise of Jesus. The first Sunday in June is Trinity Sunday, and we'll be starting a worship series on the book of Genesis that will take us through almost the entirety of the summer months.

Genesis is a wonderful storybook that begins by telling us about a God who is unlike other gods—a God who willingly and wonderingly creates good things by speaking them into existence. The Creation cooperates with its Creator to become a beautiful, bountiful paradise with Adam and Eve as its co-rulers and caretakers. Much is to be learned about who we are and who God is. Next, the story rapidly transports us to the journey of a family destined to become the nation of Israel—God's nation of priests who will bless others out of the blessings they receive. Their names are familiar: Abraham and Sarah, Isaac and Rebekah, Jacob and his twelve sons. Their adventures of faith and foibles of failure take up the vast remainder of the book.

At nearly the same time, the Tuesday morning (online) bible study will shift gears from the weighty book of Romans to the elusive, illustrative book of Revelation. If you've struggled to make sense of the numerous, disturbing, and apocalyptic images scattered throughout John's visions, this is the study for you! Many studies in this wonderful book get so captivated by the fascinating trees that they miss the beauty of the forest. Together, we'll discover some themes that hold the book together, and then we will begin to see the meaning of the various pieces from the perspective of the whole.

So, take the challenge – join us as we read and study all the way from Genesis through Revelation! Contact Rod Garnett

Thanks so much to Brenda Swanson for being such

a rock for our youth and our youth programs at Spearfish United Methodist Church. She has gone well above and beyond in service and leadership. Even in the short time we have worked together, she has been an essential ear and voice in helping me to discern the direction of the church, its people, and its ministries. Thanks, Brenda!

I'd like to encourage students, parents, and any interested others to attend our visioning meeting at 6:00 pm on June 13 to begin to discern what the future might be for youth ministry at SUMC. A lot has changed in the twenty years since Brenda began her ministry, but one thing has remained the same: young people need to get to know Jesus! We'll talk about what that might look like going forward, and we need your input!

Thanks for all of your affirmation and encouragement around the news that we'll be doing ministry together for another year. Evie and I are glad that we won't have to start packing again until next year! May God continue to bless the ministry of Spearfish United Methodist Church.

Peace,

Pastor John Madvig

Interim Pastor

United Methodist Men (UMM)

The United Methodist Men met for devotions and breakfast on May 6 & 10. Bill Lundgren led devotions on the 6th and the reading was from the March/April *Upper Room*, about making responsible decisions that affect our everyday lives.

On May 10, Gabe Hicks read a lesson from 1 Samuel. The reading covered David fighting the Philistines. David spares Saul's life and shows him a corner of his cloak he cut off as proof that he could have killed him.

In June the UMM will meet on the 3rd & 17th. Join us.

Bill Lundgren, UMM President

Gift to UCC

Pastor John Madvig suggested that Spearfish UMC might purchase lavender Lenten paraments for the United Church of Christ (UCC) as thanks for their generous hospitality during March 2023. You may recall the beautiful green banners and altar cloth during our month at UCC. Council voted yes. Thank you for helping to say that we appreciate the ecumenical spirit. This will be a Lenten reminder for years to come.

CYFM Update

At Children, Youth & Family Ministry (CYFM), we are excited to say we had a lovely last day of Children's Sunday School for the school year on May 21st, and we were so happy to have so many people within the church celebrate the successful school year through our ice cream sundae bar on Sunday!

We hope you all will keep a lookout for our upcoming events, so we can continue to spread more joy through family-fun community engagement this summer. Some upcoming events that we will be having include:

- **Summer Sunday School** from 9:20AM-10AM on June 11, July 9, and August 13
- **Summer Family Block Party & VBS Kickoff** on August 13 from 5-7 PM
- **Vacation Bible School** from August 14-18 from 9 AM-11:30 AM

During the summer we will have **Children's Sunday School in person each second Sunday for June, July and August**, you may also find **online Children's Sunday School videos each week** to view on our website at:

<https://www.spearfishumc.org/ministries/childrens-ministry/>

Next on our summer agenda is our **Summer Block Party & VBS Kickoff on August 13 from 5-7PM**, which

will include similar activities to our Spring Block Party, with a Hero theme to go with our Hero-based VBS. There will be face painting, crafts, food, games, science, bubble & water gun activities, and bouncy castle fun! Anyone and everyone is welcome to join us for an evening of family fun! This is also a great time to **sign up your kids at our information station for Vacation Bible School!**

Speaking of Vacation Bible School, **VBS registration** is open and will take place from **August 14-18** from **9AM-11:30AM!** We invite children of **3 years of age up through 5th grade** to a heroic adventure to learn God's love and bravery at Hero

Hotline Vacation Bible School! At our Hero's VBS, your children will enjoy an interactive, energizing, Bible-based good time as they are called together to serve God. They will become Heroes and discover that answering God's call together means striving for the things that bring peace and the things that build each other up – all through engaging art, music, recreational games, science and creative snacks! Pick up a registration form at our Church Office, or **sign up online at:**

<https://www.spearfishumc.org/vacation-bible-school/>

Are you willing to **volunteer** at any of our events, like the Summer Block Party or Vacation Bible School? Or are you interested in shadowing to see how Children's Sunday School works? Sign up sheets are in the Fellowship Hall, or you can call Katelyn Smith at 419-296-5723 or email at worksmith@gmail.com.

We have lots of fun events planned for the summer to engage our families and their children, and we hope you will join us either through prayer, volunteering, spreading the word, or visiting our upcoming events. Please keep a lookout for some of our informational flyers and sign-up sheets on our Facebook page or at our church services in the Fellowship Hall as the dates continue to get closer, and thank you everyone for continuing to warmly support the events we put together!

Honduras Mission Team Update

Medical team members from 5 Dakotas UMC churches worked in rural Honduras for 2 weeks in March, our first team since COVID. Thanks to much help and organization from our host, Send Hope, we were able to provide basic medical/dental care to about 1800 children and adults in that rural area. One of the issues we saw when we were in Honduras was that there was no rain during the "rainy season", so people were very concerned about crops and water supplies.

As feared, this week we received notice that the Send Hope well has gone dry, as well as most of the wells in the area. Imagine a home caring for about 40 children and teens with no water! Currently they are "making do" by running a hose from the missionary's house across the road, but a new deeper, different type of well is urgently needed to meet the needs of the kids at Send Hope and the neighborhood houses.

But there is good news. Thanks to donations from current and former mission team members, \$2500 was sent to start the well fund moving. And thanks to YOU, who donated so generously to cinnamon roll fundraisers, we have requested funds from Honduras team reserves to complete the well costs and provide a water supply that neighbors can access. This isn't our "usual" medical team project, but what a blessing to provide clean healthy water to help Send Hope continue to care for so many.

Skin Cancer Awareness

Summer is just around the corner. The Health Ministry Committee wants our congregation to be aware of the symptoms of skin cancer and ways to prevent it.

SYMPTOMS OF SKIN CANCER MAY INCLUDE:

- A new spot on the skin
- Changes in the size, shape, or color of an existing spot
- A spot that is itchy or painful
- A non-healing sore that bleeds or develops a crust
- A red or skin-colored shiny bump on the top of the skin
- A red rough or scaly spot that you can feel

HOW CAN YOU REDUCE THE RISK OF SKIN CANCER?

- Avoid sun exposure between 10:00 AM and 2 PM
- Wear protective clothing: Long -sleeved shirts, pants, wide-brimmed hats
- Generously apply a broad-spectrum water-resistant sunscreen with a Sun Protection Factor (SPF) of 30 or more to all exposed skin.
- Avoid tanning beds

It is important to contact your Health Care Provider if you notice any of the above symptoms of skin cancer. The Health Ministry Committee promotes a healthy congregation!

Good Shepherd Clinic has New Executive Director

The Good Shepherd Clinic (GSC) Board of Directors is pleased to announce the hiring of Chris Davis as its first Executive Director. Since opening its doors in February 2009, GSC has been entirely organized and run by dedicated volunteers. The board feels that due to the clinic's growth and community needs, it was time to hire an Executive Director to oversee the clinic's services and programs and have one designated individual for the community and volunteers to contact.

Chris has volunteered with GSC for 11 years, serving as the Eligibility Team Leader, PR/Marketing Chair, Board of Directors member and secretary, and has been instrumental in updating and maintaining by-laws, policies, procedures, and other organization paperwork. She has a medical background and over 20 years of experience working with non-profit organizations. Chris began her position on May 1.

Board President, Dr. Lou Hogrefe says, "Good Shepherd Clinic is blessed to have Chris Davis as its first Executive Director. She will bring value to Good Shepherd Clinic and the people we serve."

Mission of the Month
**Sink the Canoe Again in 2023
 for the Food Pantry!**

The Spearfish Food Pantry provides wonderful support for those in need. Presently over 6 percent of Spearfish residents receive food.

Typical items that the food pantry needs are canned

soups, ramen noodles, saltine crackers, beef stew, canned chicken, spaghetti sauce, and canned peaches.

Maybe even more important are cash donations. Cash provides the flexibility to purchase items that are needed where donations fall short. Cash is also used to purchase fresh fruit, meat, chicken, and other items from local grocery stores to round out the box of food.

Also don't forget to sign up for pantry duty the first two weeks of August. There will be sign up sheets starting in July. If you haven't experienced food pantry duty, it not only a feel good experience but also a time to get to know your fellow church members.

Start filling the canoe in June and we hope to see you at the Food Pantry in August.

Donations are needed of the following items:

- Cereals
- Pork & Beans
- Tomato Soup
- Canned Fruit
- Hamburger Helper
- Oatmeal
- Saltine Crackers
- Bag Mashed Potatoes
- Grape Jelly
